

GROWTH MANAGEMENT ALLOCATION/ALLOTMENT INFORMATION UPDATE – MAY 26, 2006

San Luis Obispo County Department of Planning and Building

The following information summarizes the status of allocations and allotments and is updated each Friday. Please note that because we receive allocation and allotments requests on a **daily** basis the following information is subject to change. Weekly updates can be found on the Allocation/Allotment Information Line at (805) 781-4166. If you have already submitted your allocation request to the Department and would like to know the status on your tentative selection please contact Jo Manson at jmanson@co.slo.ca.us or (805) 781-4660. If you need information regarding specific building questions on your property please call (805) 781-5600 to either make an appointment or receive a phone call from an information planner.

Category 1 - Single Family and Caretaker Residences in all land use categories except Residential Multi-Family.

- Please note that this does **not** include the following geographic areas: Cambria (**Category 3**), County Service Area 10A water area in Cayucos (**Category 4**) and the Los Osos moratorium area (**Category 1**). Allocation requests are accepted for these areas and are put on a waiting list. This also does **not** apply to planned development properties such as Heritage Ranch, Oak Shores San Luis Bay Estates, Blacklake, etc. Information relating to multi-family and planned development properties will be covered in **Category 2**.
- We have **396** dwelling units immediately available for allotment requests for the rest of the fiscal year ending June 30, 2006.
- We currently have **180** allocations on a waiting list for the Los Osos moratorium area.
- For properties on the Nipomo mesa area please note discussion under **Category 8**.

Category 2 - For Multi-Family Residential and Planned Development projects, and all single family residences to be built on property with a Residential Multi Family land use category designation

- We have **34** dwelling units immediately available for allotment requests for the rest of the fiscal year ending June 30, 2006.
 - Please note that this does **not** include the following geographic areas: Cambria (**Category 7**), County Service Area 10A water area in Cayucos (**Category 4**) and Los Osos moratorium area (**Category 2**). Allocation requests are accepted for these areas and are put on a waiting list. If you are unsure if your property is in a planned development area please call Jo Manson at (805) 781-4660 and she can confirm whether your property is within a planned development area.

GROWTH MANAGEMENT - ALLOCATION / ALLOTMENT INFORMATION
UPDATE, MAY 26, 2006 - Page 2

Category 2 – CONTINUED

- We currently have 13 allocations (122 dwelling units) on a waiting list for the Los Osos moratorium area.

Category 3 - Single Family and Caretaker Residences in the Cambria area.

- The County currently has 355 allocations on the Cambria waiting list.

Categories 4, 5 and 6 - Single Family and Caretaker Residences in the Cayucos area.

- There are three water service providers in the community of Cayucos. Each of the provider areas have a separate designated allocation/allotment category for internal statistical reporting only. **Each is combined with Category 1 regarding allocation/allotment selection.** The areas and categories are as follows: County Service Area 10A (**Category 4**), Morro Rock Mutual Water Company (**Category 5**) and Paso Robles Beach Water Association (**Category 6**).

Category 7 - Multi-Family and Planned Developments in the Cambria area.

- The County currently has 9 allocations (49 dwelling units) on the Cambria waiting list.

Categories 8 and 9 - The following information applies to the Nipomo Mesa area and includes the following communities: Nipomo, Palo Mesa, Los Berros, Woodlands, Blacklake, Callender-Garrett Village and all other areas outside of these communities but still on the mesa:

- **Category 8 - For Single Family and Caretaker Residences in the Nipomo Mesa area - We have 6 dwelling units immediately available for allotment requests for the rest of the fiscal year ending June 30, 2006.**
 - **Category 9 - For Multi-Family Residential projects in the Nipomo Mesa area, AND single family residences to be built on property with a Residential Multi Family land use category designation AND planned development projects - We have NO dwelling units available for allotment requests for the rest of the fiscal year ending June 30, 2006. You can apply to get on the Category 9 waiting list in order to be able to apply for a building permit in the future. HOWEVER, prior to an application to get on the waiting list, planning and building staff must review a building permit application package for completeness.**

GROWTH MANAGEMENT - ALLOCATION / ALLOTMENT INFORMATION
UPDATE, MAY 26, 2006 - Page 3

- Please note that some vested residential housing tracts that were accepted for processing prior to January 18, 2000 may be vested out of the Nipomo group and into Category 1 single family availability. Please call Jo Manson at (805) 781-4660 and she can confirm whether your property should be included in the Nipomo rules or county-wide rules. For vested maps for which the vesting has expired and for maps that were not vested the Nipomo Mesa time frames do apply.
